Serving the Lord in Estonia

He said to them, "Go into all the world and preach the gospel to all creation".

~Mark 16:15

FAITHFULNESS OF GOD

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. ~ 2 Corinthians 9:8

As we close out the year 2018 and begin a new year we feel extremely blessed as we reflect on the faithfulness of God. Judi and I can look back and see the faithfulness of God working in our lives. We have testimony after testimony of God meeting our needs through healing, financial blessing, protection, and many other things. We can attest to how He has used us to help those in need and share the Gospel with those who are lost and seek answers in life. We can give witness to God's unfailing provision, sustaining strength, and assuring guidance to accomplish the task at hand amidst challenges and difficulties. We can also give witness of how God continues to do so. For those of you who read our prayer requests and lift them up to the Lord, you may recall that in our last newsletter we sought prayer for our Alpha course outreach. It is a course designed to reach the lost and typically last over twelve (12) weeks. We also asked you to pray for a location in which we could launch Elu Kogodus (Life Church). We needed a place to call home, a place where we can worship God and serve the community. Praise His glorious name for as we joined together in prayer He heard and answered! We are happy to report that there were several people who attended the Alpha and are now ready to connect with the church! One of them is already asking to be baptized. The Lord has also provided a facility for our team to launch the church. God has provided us the place and even blessed us with a better location and facility than we expected. We thank you very much for joining us in prayer!

Things are not always easy and not always as we hope. We believe God wants to bless you abundantly and to use you in 2019 to impact your families, communities, workplaces, and Cities for His glory. As you begin this New Year, we want to encourage you that God knows what you need to accomplish the task He has prepared for you to do. We can always depend on Him at all times! God is always faithful... He never changes... He never fails to meet our needs in accomplishing His will. May the truth in 2 Corinthians 9:8 sink in your heart that *"in all things at all times, we will have all we need to abound in every good work"*.

Alpha Course - Six People made it to the end

The Alpha course is an evangelistic course which seeks to introduce the basics of the Christian faith through a series of talks and discussions. The talks aim to cover the basic beliefs of the Christian faith. The course runs for approximately 12 weeks. At the end of the course, the people attending have unpacked the basics of Christianity, and gained a clear insight about Jesus and faith in Him. At Elu Kogudus (Life Church), there were six people who completed the Alpha! While the adults/parents were in sessions, we were working with their children and ministering to them.

NTD Youth Pastors Visit

Recently, a team of youth pastors from North Texas District came to work with us here in Tallinn, Estonia. We had a great week working with the youth at our local community center, conducting prayer walks, and youth services. We had an awesome time connecting with them and serving God together. We are very blessed to have such great pastors leading our youth and teaching them to have a heart for missions!

Sincerely with the Grace of God,
