IVORY COAST

John 14:27

"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid".

GET USED TO DIFFERENT

We trust that you are doing well and enjoying the blessing of the Lord. Recently, we were watching a series on television called "The Chosen". It is a story about Jesus calling His disciples. When Jesus called Matthew, Peter objected because he was a tax collector. Jesus told Peter that he was lost as well when He called him. Peter continued his objections by saying, *"but this is different, he is a tax collector".* Jesus response was, *"Get used to different".* That seems to be the new theme for the church during this time of the COVID-19 pandemic. It has caused everyone in ministry to think of creative and different ways to continue the work of the kingdom for God's glory and to reach those who so desperately need Christ.

For Judith and I, it has meant a complete standstill in our itineration. All of our services (approximately two months) were cancelled. Due to the social distancing guidelines, we have not been able to have meetings or be in any kind of gathering until the end of May 2020.

For itinerating missionaries, this is one of those times where we completely rely on our faith and trust in God. He is always faithful. Time and time again, we have tasted the goodness of our Sovereign Lord. He has done what seemed impossible and we can expect He will do it again. He is a God who will supply all our needs according to His glorious riches. We simply trust Him!

We are happy to report that our cash budget is already raised (hallelujah)! We are now solely focused on raising the remaining $1,800 of our Faith Commitment budget. We believe that He who calls us is faithful to complete it. We are honored to have your trust and your partnership in prayer and in giving.
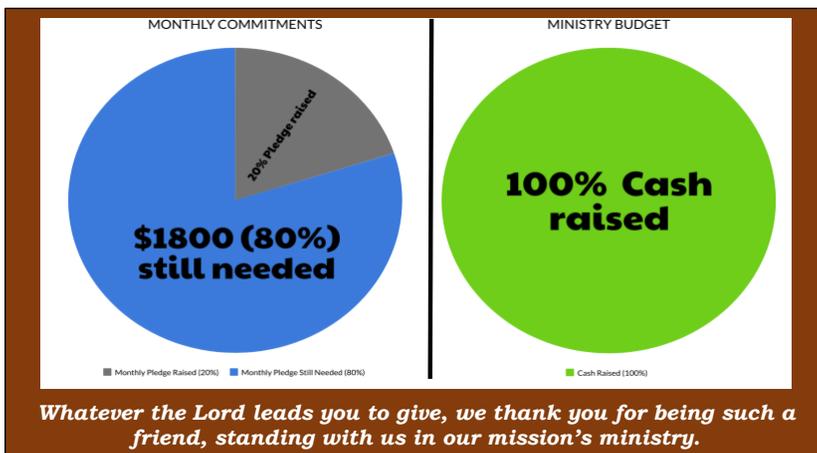

In this time of "different", we want you to know that we continue to pray for you, your ministry, and your family. We sincerely **"Thank You"** for your continued prayers and support especially during this challenging season filled with uncertainties. The world desperately needs the hope of God's Word, and we are grateful to you for standing with us and sending us to West Africa to deliver the unchanging Word of God and to lift up the name of Jesus in the nation of Côte d'Ivoire. God bless you.

Reaching the world with His Word,

Chad & Judith
