## PHILIPPIANS 4:19

*And my God will supply all your needs according to His riches in glory in Christ Jesus.*

## BIG ANNOUNCEMENT!

### Greetings!

Happy New Year to you and your family!

As we begin this new year, we have some exciting news to share!

We are extremely blessed that our ministry budget is completed, our visas are being processed, and our plane tickets to Côte d'Ivoire have been purchased. **We will be leaving for the field on February 17, 2021.**

God is faithful... He has always met, and always will meet our needs according to His riches and glory in Jesus Christ!

We are sincerely grateful to all of the pastors who invited us to minister in their churches, and for all of you who pray for us and support us financially. We thank you for your devotion to the Lord and for partnering with us. It is our prayer that God will strengthen you in faith, fill you with peace, and may His richest blessings be upon your life.

*Because He loves,*

## EVENT & PRAISE REPORT

*We are honored to have been a part of the cast for "Trail of Campfires" at Buffalo Creek Fellowship in Cleburne, Texas with Pastors Jack and Carol Garr. Trail of Campfires is a tour of biblical scenes that gives the Gospel presentation. Each scene takes place around a campfire. We played the part of Pontius Pilate and a townspeople. It is a powerful community outreach with a great turnout where **33 people** received Jesus as their Lord and Savior. Praise God for His grace and salvation!*

## PRAISE REPORT

*This picture of Tina (left) & Jennifer (right) and their children displays an uplifting story of “divine appointments”. They are sisters who live in the Philippines. Five years ago, their parents passed away from lack of food and health issues. Tina and Jennifer survived by taking any odd jobs they could get. Unfortunately, since birth they have lived in impoverished conditions.*

*As you can see their house is in a flood area where many people live in poverty. Tina and Jennifer lived in this house as long as they could, but it became unstable and not safe, so they had to abandon it. They were scattered and lived temporarily with family members who are also indigent and barely getting by.*

*Jennifer is bipolar and can't afford the medicine needed to keep her in control of her actions. Without her medicines, she acts irrational and has been sexually abused on several occasions. She became pregnant and gave birth to a boy and a girl. Her son was adopted to a family. Due to her emotional instability, she was unable to take care of her daughter, so family members took the child in.*

*It's through Judith's sister that we found out about their destitute situation. Several months ago, God touched Judith's heart to reach out to them and offer help.*

*Judith had them go to her nephew's house for Zoom meetings where she shared the Gospel of Jesus Christ with them. They received Christ and are now connected with Judith's home church.*

*The Lord started to mend their lives with His love and provision. We ask God to provide them a home and the medicine Jennifer needs each month. As we walked by faith, God is faithful to provide the financial resources. We have been able to provide Jennifer her medicine and now she is doing good and hoping to get into a trade school soon.*

*In November 2020, we completed the construction of their new house. Now they have a safe and comfortable place to live. Most importantly, Jennifer has been reunited with her daughter. Through your prayers & support, God moves and lives are changed!*

*We praise God for His divine appointments, His blessing and provision, and for allowing us to be the vessels He used to demonstrate His love and compassion to this family in need!*
