IN THE FIELD

Greetings Chad,

We hope all is well with you and your family!

As we prepared to leave for Côte d'Ivoire, West Africa the Texas blizzard of 2021 blew in. We spent two full days driving through the snow in order to get our Covid-19 tests for travel, storing our personal belongings, and taking care of the final details that needed to be done. On the day we flew out, the weather did not give us a break which drew us to completely trust God and His divine intervention to get us to our destination. God favorably blessed us, securely protected us, and miraculously made the way to reach our new place of assignment. The Lord always takes care of His children and always answers prayers that align with His will.

In the first six (6) weeks upon our arrival at the Base Camp in Daloa, we immediately started working with the team. We ministered in three services and saw approximately 22 people accept or re-commit their lives to Christ. Our team conducted an evangelistic crusade where many people heard the Gospel message including Muslims. During the altar call we witnessed countless people seeking God's touch and deliverance.

We were also involved in the tabernacle and children's ministries. A month ago, we built two (2) tabernacles with our team in the nearby villages. God is gracious to provide us access to reach the children and youth in the schools. We have reached over 1,200 kids in the public school system with "The Book of Hope" that gives the Gospel presentation. Indeed, our merciful God is moving and opening the doors for the Ivorians to read and hear the Truth through our ministry and teamwork. We are excited about what lies ahead and for spiritual breakthrough in West Africa!

Through your prayers and support, the life-changing message of the Gospel is being carried out and changing people's lives in Côte d'Ivoire. We sincerely thank you for sending us!

Because He loves,
